Project back ground:

This project will help all needy elders of Jampaling who come from Tibet who have left their families and beloved one in Tibet and had served most of their life in Indian army and Tibetan community for over 30 years in exile. After retirement from the service, they are once again left alone and in capable of living a family life as they do not have any family members with them in exile. It includes all those elderly who are unable to earn their livelihood due to old age and with no one to rely on. Jampaling Old People's Home provides food, shelter and medical facilities to such aged people residing there in order to ward off any kind of hardships in their last years. This very project brings lot of help to the elders as the major problems are in terms of drainage system, bed rooms and bath room which are in very bad shape adversely the impacting the health and comfort of the elders.

Planned Activities:

This project was based on full contract to contactor.

- Under the chairman of the Executive secretary, we have formed committee with 5 members i.e. Mr. Wangchen (OPH In-charge), Mr. Ngawang Tenzin (Store In-Charge),
